January 25, 2016

Dear Parents:

Thursday, January 28, is our Spring Parents' Night at the high school. Parents' Night will begin at 6:45 p.m. in the auditorium. The administrative team at the high school will share our goal of preparing our students for life after high school and how our activities throughout the year will assist students in meeting this goal. In addition Dr. Michael Lechliter, Superintendent of Schools, will be present to share information about a plan that is being developed for possible renovations to the existing high school or construction of a new high school. Following the introductory session in the auditorium, you will then proceed through your child's second semester schedule and have the opportunity to hear from each teacher about his or her expectations for the class in which your child is enrolled.

The guidance department will be available to answer questions and provide information on the following programs: SAT, scholarship website, financial aid information, websites to find good community service placements.

The library invites you to come in and take a look at the many online and print resources available to our students and their parents. We have a good collection of online databases that are available for home use as well as reading lists of recommended books for students. The databases can be searched for full text books, magazines and newspaper articles. Home access to these great resources is available with passwords or a library card either of which may be obtained by stopping in the school library.

You are encouraged to attend this program, which will give you an opportunity to meet your child's teachers. Your son or daughter has been asked to complete the schedule below to assist you in finding classrooms and teachers. Please bring this with you to Parents' Night. Students will be dismissed from school at 12:20 p.m. on Friday, January 29, 2016. If you should have any questions, please contact the high school office at 872-9520, ext. 1809.

Sincerely,

Philip B. Gale, Ed.D.
Principal
