

### OPTIONAL \$100,000 ACCIDENTAL DENTAL CARE AND SURGICAL BENEFIT RIDER

By adding an additional \$8.50 to the base plan rates, dental benefits will be extended to provide payment for the USUAL AND CUSTOMARY CHARGES incurred within two years from the date of a covered accident for each injured natural tooth to a maximum of \$100,000.00.

Included in this benefit are the following services:

- Replacement of caps, crowns, dentures, and orthodontic appliances (including braces), fillings, inlays, crozat appliances, endodontics, oral surgery, examinations and x-ray services required as a result of an injury sustained while coverage was in effect; and
- When a Dentist certifies in writing to the Claim Administrator that treatment will continue beyond the two year benefit period, an additional \$1,500.00 will be paid.

Services must commence within 90 days from the date of injury. The benefit is in effect 24-Hours a day, even when purchased with School-Time Coverage. If there is more than one way to treat a particular dental problem, benefits will be paid for the least expensive procedure as per accepted dental standards.

### EXCLUSIONS AND LIMITATIONS

In addition to any benefit or coverage specific exclusion, benefits will not be paid for any loss which directly or indirectly, in whole or in part, is caused by or results from any of the following unless coverage is specifically provided for by name in the Description of Benefits Section or Conditions of Coverage Section:

An autopsy report from a licensed medical examiner, law enforcement officer's report, or similar items will be considered proof of the Insured Person's intoxication;

In no event will the Company's total payments for the Insured Person or exceed the Total Maximum for all Accident Medical Benefits.

**Limitations:** A Covered Injury occurring, and Covered Expenses incurred therefrom, as a result of an accident which occurs while an Insured Person is engaged in an activity which is covered under the School's Compulsory Plan, will not be covered under a Voluntary Plan.

The maximum payable for Expenses incurred as a result of an accident involving a motor vehicle shall be limited to \$10,000 for any one accident.

When Excess insurance is provided and another Plan Providing Medical Expense Benefits to an Insured is an HMO, PPO, or similar arrangement for provision of benefits or services, and the accident occurs within the geographic area of the HMO, PPO, or similar arrangement for provision of benefits or services, and the Insured does not use the services or facilities of the HMO, PPO, or similar arrangement for provision of benefits or services, the medical benefits otherwise payable under the policy shall be reduced by 50%. This limitation shall not apply to emergency treatment required within 24 hours after an accident or when the accident occurs outside the geographic area served by the HMO, PPO, or similar arrangement for benefits or services.

**NOTE:** It is not the intent of the Company to unfairly reduce benefits for any Insured if the Insured is outside the Network Area of the HMO, PPO, or similar arrangement for benefits or services and no benefits are available. The reduction of benefits is only for those Insureds who can use their HMO, PPO or similar arrangement for benefits or services and have not done so.
