Notification of School Rules and School Board (SB) Policies

Attendance – [SB Policy 204](#)

Regular school attendance helps to promote student success. The School District encourages consistent school attendance and our schools actively monitor all student absences.

Absences are classified as excused, unexcused and/or unlawful. Penn Manor High School requests that parents contact the school attendance officer to make the school aware when your child is ill and will not be at school. If absences occur, please be mindful of the following:

- Students who return after an absence must turn in an absence note to the attendance officer before reporting to first block. The absence note must be turned within 3 school days of the absence in order for the absence to be excused or the absence will be recorded as unexcused or unlawful.
- An absence note should include the name of the student, the date of the absence, the reason for the absence, the parent/guardian's signature and a contact number where they can be reached.
- Students must complete the school work that was missed during the absence or it may negatively impact their grade for the course. To ensure that students maintain good academic standing, they should speak with their teachers to obtain make-up work missed during an absence and complete it.
- Students who arrive to school after 1:11 p.m. will be marked as a full day's absence.
- Student truancy is the absence of any student without their parent/guardian's knowledge.

Absence Notification

Due to the importance of attending school regularly, students with excessive absences (10 or more days) will be required to provide a doctor's note. Parents are encouraged to get students to school on time or they may incur tardy notifications that also impacts student attendance. The District Magistrate collaborates with Penn Manor High School administration to ensure that student attendance is addressed prior to chronic absenteeism becoming an issue. In accordance with practices required for schools:

- Parents must provide a note for every reason within three (3) school days for an excused absence. Absences without timely excuse notes will be considered unexcused.
- The school will notify parents at the third (3rd) student absence. In addition, parent letters will be sent home after the seventh (7th) absence, and will be notified by the school attendance officer following any absence when eleven (11) days and/or tardy dates have been accumulated for the year.
- Parents may incur court fines/costs if students are found to be habitually absent from schools. In addition, students may be required to have a Student Attendance Intervention Plan (SAIP) as a result of unexcused attendance patterns and absenteeism.
- If questions arise regarding student attendance, please contact the school attendance officer.

Attendance – Preplanned Trips

Parents must provide notification to the school prior to taking a trip during the school year. Parents must provide information about the trip on their completed pre-approved field trip form to the administrator at least five days prior to the trip. Without administrator approval for the trip, the days missed will be considered unexcused absences.

Audio Recording for Accommodations

To accommodate special needs as required by state and federal law, certain students may be granted permission to make audio recordings of classroom lectures, discussions, or instructional activities. These recordings could include the voice of other students in the classroom. The student making the recording or the student for whom the recording is made will use the recording solely to support his or her ability to access and retain educational information. The recordings must be destroyed by the end of the school year when they are no longer necessary for educational purposes. Recordings shall not be maintained by or otherwise considered educational records of the Penn Manor School District for any purpose.

Bus/Transportation

Buses provide eligible students transportation to-and-from school only. The transportation coordinator assigns a specific bus for students. Students are to only ride the bus they have been assigned to or exit at a different stop. Students are expected to conform to school behavioral expectations while on the bus each day. Bus privileges may be suspended for inappropriate student behavior.

Bus Audio and Video Monitoring – [SB Policy 810.2](#)

Penn Manor School District has placed surveillance cameras with audio and video capabilities on buses to deter and detect student misbehaviors. The school district advises that students should not have an expectation of privacy when they are transported by school district buses; their words and actions may be recorded during transit.

Bullying and Cyberbullying –[SB Policy 249](#)

Penn Manor School District strives to provide a safe, positive learning environment for all students. Bullying may occur in or outside of the school setting and is defined as an intentional electronic, written, verbal or physical act or series of acts directed towards another student(s), faculty, or staff member that is severe, persistent or pervasive and has an effect of doing the following: Substantially interferes with a student's education, creates a threatening environment or substantially disrupts the orderly operation of the school. All forms of bullying and cyberbullying by school district students are prohibited. Therefore, anyone who engages in bullying or cyberbullying is in violation of this policy and shall be subject to discipline as outlined in the Code of Student Conduct.

- Remain in the cafeteria area during the lunch period. Students are not permitted to exit from the cafeteria area during their lunch.
- Comply with all cafeteria procedures. Failure to do so will result in assigned seating during lunch or lunch detention.

The student will be referred to the Student Assistance Program (SAP) and an assessment may be conducted by a SAP assessor to determine the student's level of risk and to make recommendations. Police will be notified in accordance with the law. Additional detailed information can be located within the policy link found above.

Plagiarism

If a student is suspected of plagiarism on an assignment, the following actions may occur:

1. The student will be asked to provide hard copies of all resources used in their research. No grade will be given for the assignment until all sources have been provided and the teacher has had a reasonable amount of time to review them.
2. The teacher may ask another faculty member to review the paper independently.
3. The student will submit the work to the plagiarism detection system.
4. If plagiarism is determined, the student may receive a grade of zero. Parents or guardians will be notified, and both the administration and appropriate counselor(s) will be informed.
5. If plagiarism is determined on a research project that is a course requirement, the student may fail the course.
6. If plagiarism is determined on a research project that is not a course requirement, a weighted zero may become part of the student's numerical average. In this case, the student may or may not fail the course.
7. CLA's are a course requirement; however, plagiarism of a CLA will result in a grade of zero. The student will be required to complete the CLA again and receive at least a (required) 70% grade to indicate success. A second instance of CLA plagiarism will result in an automatic course failure.
